A MESSAGE FROM KATHY

Thank you for supporting Blue Mountain Action Council’s vision of healthy, thriving communities. We continue to act as a community lifestyle through programs that have helped over 3,600 households keep their basic needs for food, heating, employment, and housing.

Proudly sharing with our community:

I am proud to share BMAC’s 2018 Annual Report which shows what we all accomplished this last year because these are your accomplishments as well. I invite you to review our recent progress and the ways we are reaching out to the community to help people live better lives.

Your continued support creates positive changes for families in our region and for that we are truly grateful.
